A New Generation in Strategy Consulting

Have your own customized and dedicated location benchmarking platform

Investment and trade promotion agencies and economic development agencies often deal with all kinds of investor inquiries on a daily basis.

Having the ability to access a comprehensive and powerful location benchmark platform within your trusted IT environment and website would significantly reduce the response time, resources spent, while improving the overall quality of the investor handling process.

Our IT service center is now able to integrate our benchmark platform on your website and IT environment. ICA ensures to coordinate and manage the complete project within a 4 weeks timeframe.

Added value for Investment Promotion Agencies:

- All modules are built from investor point of view
- Save significant time and staff resources
- Increase response quality
- Increase speed of response
- Comprehensiveness of the database
- Possibility to upload own data sources
- MS Office export functionalities

What our clients say:

"Now that I have come to know LocationSelector, I understand the hard work that has gone into such a marvelous product. Over the years I have seen several products that failed to do what your company has successfully accomplished."

Mr. Donald Yates,
CEcD - Geographic Business Solutions, Inc.

Our global track record supports our mission to become world leader in FDI advisory.

Our business philosophy is to utilize smart and efficient software solutions in providing dedicated and tailored consulting services.

LocationSelector.com and ICAincentives.com are two of our flagship web based products for companies and governments assessing and benchmarking the competitiveness of global business locations and optimizing their incentive potential.

This unique service offering differentiates Investment Consulting Associates from traditional management consulting firms who are active in the field of investment promotion and corporate site selection services.
