THOUGHT LEADERSHIP CONFERENCE

AIM 2016 will produce a leading investment conference with a faculty of topnotch global experts, renowned academics and seasoned practitioners to enlighten AIM audiences with current investment trends and latest developments in an ever-changing and dynamic world of FDI.

Theme:

**The New World of FDI,
Key Features and Best Practices**

The global landscape of the post global economic and financial crisis has changed dramatically in recent years as international competition has increased and sluggish growth had its toll on investment and trade flows worldwide. New Forms of Investment (NFI) have developed. The central focus of the AIM 2016 Conference will be on the scope and scale of these NFIs, the policies that promote and facilitate such investments, and ways to attract investment from new investment reservoirs coming from emerging markets.
